Due to the Covid-19 pandemic, it has been an unusual year. Meetings have not been held due to social distancing and rules imposed by the government. Therefore very minimal has been able to happen. In light of this there have been a few questions asked about the forthcoming spending etc so we have discussed them to clarify those points.

- We have been asked to clarify what the £500 class spending is expected to be spent on. We agree that at this time the money given to each class every PTA financial year is to be for trips and equipment that directly benefits the children in that class. It has been suggested by the new chair Abi that we should send a questionnaire to parents to ask them their thoughts. What should the PTA be financing? After all they are the ones who give us the most support. Kirsty is going to design the questionnaire and it will be sent out to parents in the future.

- Bags for school, are they still collecting at this time due to the restrictions? If so would it be beneficial to book again for around Easter?

- The new Chair and Secretary will take over the admin roles on the St Breward School PTA Community Page as of this weekend.

- ❑ We will continue to use our WhatsApp chat group for new ideas and general discussion and Kirsty will be added to this.

- ❑ The school has suggested a sponsored walk this summer as a way to raise funds. This is a great idea and hopefully we can help organise if we are needed closer to the time.
