EYFS Class Visits Policy

Last updated: July 2019

Next review: July 2020

Signed: K.Goodman

We believe that children learn best through first-hand experiences. Therefore, we will endeavour to provide your children with practical first-hand opportunities to support and consolidate their learning.

We aim to take our children out of the classroom as often as possible, in both their immediate and local environments, to strengthen their current knowledge and understanding.

Ratios:

As there are only guideline ratios for class visits for EYFS, we have created our own ratios to abide by.

Just Reception children: 1:4-5 This greatly depends on the cohort and each individual child.

EYFS and Nursery FS2: 1:3

Nursery FS1: These children require their own trusted adult.

Our Nursery will always be open (unless there is an INSET day, holiday or due to unforeseen circumstances). We will always endeavour to cater to your child.
